

## **Cemetery name list and locations**

Notes from the Centennial Celebration 1846 – 1946, 100 year History Book of St. John’s Evangelical Lutheran Church, Root Creek, Wis. South 68<sup>th</sup> and West Forest Home Avenue. In a deed recording the fact that in 1846 an acre of land on the Muskego Road, now known as Forest Home Ave. was sold by Martin Kern to the Evangelical Church of the Town of Greenfield for cemetery purposes. In 1851 the congregation formally organized itself and was incorporated under the name of The Corporation of the German Evangelical St. John Church of Greenfield. In 1952 under reorganization the church name was changed to St. John Evangelical Lutheran Church of Root Creek, Wis. On March 15, 1942 the new Christian Day School was dedicated. This 35 page history of the church contains names, dates and in some cases pictures of Pastors, Past Presidents, Trustees, Board Members, Teachers and others from the start of the church up to and including the year 1946.

F = Graves on the west side of the church. No stones or markers. Names and dates from original church document. Grave map for those located on the west side of the church available from church office.

1 – 3 Rows are located on S. 68<sup>th</sup> St. west end of cemetery. After that the half circle road, which begins and ends on 68<sup>th</sup> St. divides the cemetery into three sections. Graves are not in rows but in family plots.

R = Right. (South) This is closest to the side of the school.

C = Middle of cemetery

L = Left (North) side of cemetery

\_\_ or spaces indicates that the information is missing or unreadable.

Note: Most graves are facing east. Some stones have engraving on both sides indicated in notes as West side of stone.
